Admiralty Aug: 27: 1779th

as an express is just arrived from Plymouth
with some of the letters which your
Majesty will find enclosed, probably
nothing else will come from ^LShildham
this day.

The box contains everything else that
is come to this office that in any degree
deserves your Majesty's attention.

Lord Paris has given his full consent
that we may use Ludlow Castle for the
reception of the Prisoners.
