

A. M. to Ld. North.

3560

Oct. 22 1779

I hope Ld. North has given notice
to Ld. Stormont and to Ld. Weymouth
of his desire that the arrangements
of the Seals may not take place
till Wednesday, for it would appear
strange in me to stop it after I had
notified it to both of them yesterday
agreeable to Ld. North's own wish.

St. James's
Oct 22. 1779.
