Oct. 5th

[A large rectangular piece of paper is pasted over the lower part of the page, containing mirrored handwriting. The text is mostly illegible but appears to be a list or account, possibly a duplicate or a correction of the entries above. It includes some numbers and names, but the handwriting is too faint and mirrored to transcribe accurately.]

1830
July 3rd

[Handwritten signature or initials, possibly "Mr. D. Gibson", written in cursive.]
