I feel myself highly honoured by
the Confidence your Majesty has
been graciously pleased to repose in
me in sending me a Copy of the Globe,
you have written to Lord North. I know
just how with Him, & he appeared in
good spirits, but I fear His spirits
are not to be rely'd on for any time.
Your Majesty has in my poor Judge-
ment acted very wisely in sending
for Lord Dartmouth & making Him
the Channel to prepare Lord North for
the Explanation that is to be had to-
morrow

Dutiful Subject
