My Dearest Son. I have this instant received Yr. kind & affectionate Letter & have the Pleasure to announce You the safe arrival of the Glass Girandoles for which I ~~am~~ return You my Sincerest Thanks, as well as for Your offering me the Assistance of Yr. Servant upon the 25th. I desired Yr. Maître d'Hotel to stay to see the Boxes unpacked in the Presence of Major Price & I shall take every Possible Care to restore them without Damage. & only beg to know who they are to be delivered to at Carlton House. Elizabeth, who Acts as Master of the Levels. at Troymore is so busy & Her Presence so much wanted that She Hopes You will excuse Her

not answering herself, which she would
have done if we were not obliged to go
to Town to Morrow.

I beg once more to return You thanks
for Yr Kindness upon this Occasion
à la surs. You que je suis de cœur
à d'Amé.

Mon très cher Fils.
