My dearest Son. The 12<sup>th</sup> being approaching which gave  
You birth & per consequence ever dear to me, shall not pass  
without Your receiving a few Lines from me which  
are to convey my most Sincere Congratulations upon  
the Occasion. My wishes are so uniformly the same from  
one Year to another for Your welfare, & my Affection  
so Unalterable which I bear You that a regretation  
of them would be ~~too tiresome~~ too tiresome to You.  
as I am sure You cannot doubt them. Therefore to sum  
up all in a few Words which are dictated by the  
Heart, Present or Absent, in Prosperity or Distress  
You both shall & will find me prove in every Situation.

My dearest Son
