My Dearest Son. Tho' this will not reach You quite so
early as I could wish, it will notwithstanding convey
unto You my most sincere & affectionate Congratu-
lations upon this Day. May every succeeding Year, of
which I trust You will see many. increase in Bless-
& happiness to You. & will You do me the justice
to believe that Present or Absent I do most sin-
cerely Partake of every Event that relates to You.
C'est tous ce que je peut dire, car le Cœur le dicte
et c'est de bon Cœur et avec beaucoup de plaisir
que je suis

Moi tres cher Fils.
