My dearest Son.

It would not be kind to let Your Servant go away without an answer to the very affectionate Letter I have just received from You: I trust my Prudence will not forsake me upon this occasion, & that Your readiness to take my advice as well as Your Secret will be kept close by me: & that You shall alone enjoy the credit of such a Step.

I shall be very happy to see You on Saturday next & to have the pleasure of assuring You by word of mouth how sincerely

I am

my dearest Son
