My dearest Son. Inclosed I have the liberty
of sending a Letter for Princess Royal with-
out a Direction, which I have never made
myself since the Kings orders, You will
therefore be so good as to have it done in
a proper way.

I hope You arrived safe in Town &
that the Cold did not affect Your Bowels.
Pray pardon a little Female Curiosity,
are we not to have a Thanksgiving for
the Restoration of Hannover. If so May
~~the~~ Prayers shall be very sincere.

God Bless You my dearest Son
