My Dearest Son. The News from the  
Continent of Yesterday fill my Heart with  
more joy than my Pen is able to express  
I beg You to accept my Congratulation  
upon this happy Event & also my thanks  
for ~~informing~~ ordering Sr A. H. to inform  
me of it. The next Good News I should  
wish to receive would be that of  
No Peace. Let us go to Paris & force  
Napoleon to surrender Himself or let  
England be the means of restoring the  
poor Bourbons upon the Throne, & then  
I think This Island will be Immortal.

I wish most Sincerely that You  
may not suffer from all the Fatigues

You are to go thro this Day ~~at 11 o'clock~~  
I hope G<sup>r</sup> H. H. will be able to give  
me a good account of You this Evening  
I am just going down to the King &  
therefore can only add how Sincerely  
I am

My dearest Son

Windsor Your ever affectionate Mother  
The 19<sup>th</sup> March & Sincere Friend  
1814. Charlotte
