My Dearest Son. I take the Liberty of
sending a Small Picture representing
the March of a Cossack Division & all
Portraits. which was given me as a very
fair representation, Some Officers who
have seen it assure me that it is a very
fair ^{likeness} ~~representation~~ — The Man in
Red is the Hetman & the other in Brown
a Boatman, The Painters Name Hesse
& Painted in Guache therefore will
require a Glass to prevent its Peeling
off. — I have no more to add than to
beg of You to accept it with your usual
kindness of
Your affectionate Mother
& Sincere Friend
