My Dearest Son. I have received a Letter from Lady Ilchester with the Inclosed of Lady Fielding in answer to Hers. to which You will be so kind as to give me Your approbation or Dissapprobation according to the manner in which Lady Fieldings request strikes You, & with either Yes or No, return me Lady Fieldings Letter as very Necessary for the Direction.

I am sorry that at this moment I can not decide ~~upon~~ when & where I can receive the Architectures, as I am almost without any Lady, ^{nothing} ~~nothing~~ being returned to London on account of

Lord Harrington having the Goat
but by the Time of their arrival I
may be able to know how I can best
assist ~~for~~ myself as I have reason to
believe that even Lady Macclesfield
is not at Home.

I will not detain You any longer
with my Scrawl then to add that
I am jusqu'a la Mort.

My dearest Son.

Windsor Your very Affectionate
the 19th October Mother & Sincere Friend
