My dearest Mother,

I return you many thanks
for the communication which I have
receiv'd from you ^{by this Day's Post} & you
are so completely in possession of my
feelings with respect to all publick Affairs,
that you can not for a moment entertain
a doubt, that I agree with you most thoroughly
in all you have said upon that head to
the Duke of Cumberland; my sentiments
upon that subject have long been per-
fectly well ~~known to Him~~. As I hope
to see you so soon, I will not intrude
upon

You any longer at present, than before
You, how truly I remain always, my
dearest Mother,

Your most affectionate & dutiful
Son
