My dearest Son I return You many Thanks for Your little P. S. and rejoice to hear confirmed by Yourself that You are returned to London very different to last Year in perfect Health & Spirits, as my turn for Preaching is now come I must desire You ^{to} be very carefull of the most precious gift Providence can bestow good Health without ^{which} Life can never be Truly enjoyed.

I feel most Sincerely & Truly for the Cure of Sumburlands Disappointment but rejoice to hear that Sr H. H. says that She is safe I will only add My Love to the best of You & am

My dearest Son

Your very affectionate Mother
and Sincere Friend
