S<sup>r</sup>

I received last night a letter from Lord North, which will shew your Majesty the result of my conversation with him, & therefore I think it my duty to lay it before your Majesty.

I likewise inclose a paper which Mr. Vorels has given me to be added to the map of India, shewing the quantity of land contained in the British Possessions there.

I am, S<sup>r</sup>,  
y<sup>r</sup> Majesty's most dutiful  
Subject & Servant.
