

H. N. to Lord North

3801

Windsor Castle May 13th 1780
5. 1/2. A.M.

It is pleasing to see Lord North was able to get forward
with the public business yesterday. I am totally ignorant
of the Merits of the Dispute on the Levant and Mediterranean
but by what fell on Wednesday from Lord North, he seems
not particularly to interest himself in the question
