

Ld. Sandwich

Fortescue 3025

May 14 1780

3804

Lord Sandwich has the honour to send to your Majesty the accounts received last night from Jamaica, containing, among other things, the particulars of an action of some of your Majesty's ships with Monsieur La Motte Piquet, much to the honour of the inferior force.

Admiralty
May 14th 1780.

Lord Sandwich has the further pleasure of sending to your Majesty the account of the safe arrival of the *Edgar* from Gibraltar.
