Monday.

My Dear Sir

I have seen Mr Pitt,
since I parted with you; and,
in the course of our conversation,
mentioned my having been ho-
noured with an Interview with
Mr R. A. and of the general
idea, which I had, of Mr P. A.'s
dispositions - I stated to him
also the substance of the conver-
-sation, which I had had with
you - Mr Pitt did not appear

to see to have any ideas on
the present state of affairs, or
of the measures, that might
eventually be necessary, other
than what A. R. H. might ap-
prove, or at least think alle-
gible, in the persons, who entertain-
ed them.

Yours, My Dear Sir,
with great faith
Wm Windham
