Sir,

I Yesterday had the honor of receiving  
 Your Majesty's Letter from Lord Southampton, & feel  
 myself particularly unfortunate at not meeting  
 with that relief which I flatter'd myself I had  
 some reason to expect from an application for three  
 Years successively & trusting to Your Majesty's  
 great munificence. I feel myself greatly concern'd  
 for the trouble I hitherto have given Your Majesty  
 thro' the course of this most unpleasant business, and  
 can only assure You Sir, that in future you shall  
 receive no further disturbance upon that score from  
 me, as <sup>you have now convinced me ref. I have no reason to expect either at present or in</sup> Your Majesty has now declar'd me for ever  
 future the smallest assistance from Your Majesty. I have the honor to subscribe myself
