

A. H. to Lord North

3812

St James's May 21<sup>st</sup> 1740.

On coming here I have found Lord North's letter in favour  
of Lt. Crauford; the Queen has but few attendants which  
undoubtedly makes some difficulty; but so desirous is  
the Queen as well as myself to show every attention to  
Lord North, that He is authorized to acquaint  
Lieut. Col. Crauford that He will remain Exquery to  
the Queen.
