At His Royal Highness The Duke of York's
 Apartments Windsor Castle

Nov: 27: 1788

In consequence of the Wish
 intimated to us through the Lord
 Chancellor on the part of His Roy-
 al Highness The Prince of Wales
 and The Royal Family we have at-
 tended at Windsor, and have re-
 ceived the Message from His Roy-
 al Highness The Prince of Wales,
 which His Royal Highness The
 Duke of York communicated to

us

As we have since heard the sentiments of the King's Physicians on the subject of the proposal for removing His Majesty to New, and being of opinion, that their advice ought to be followed in all points material for His Majesty's Recovery, and having received from them the Paper herewith annexed, we are satisfied in our judgements, that it is desirable, that His Majesty should be
