The Prince ^{concerns} ~~concerning~~ the propriety &
decision on the question of right to be ^{personally} ~~perfectly~~ injurious
and insulting to Her, & any opportunity of discourteously
that proceeding will be considered as a decisive act of
friendship to the Prince.

The Prince most readily acquiesces
in every measure that is necessary to ~~secure~~ ^{secure} the King's
recovery of the Government or the return of His
Health, as He conceives that as absolutely necessary
but expects that no limitations or restrictions
whatever will be expected as the conditions of
Parliament consenting to His being Regent.
