Sir

Your Royal Highness has mentioned twelve o'clock, in terms which make me imagine it may be indifferent in point of convenience to your Royal Highness. Upon that I have presumed to suggest to your Royal Highness, not my own convenience, but that of a great many persons, who will be attending on the Seal at that

Hour. But I presume to make  
this suggestion only on the Idea,  
that the Hour of twelve was  
indifferent. I can adjourn the  
Suitors, and I will wish on  
your Royal Highness at any  
Hour you will be pleased to  
appoint.

I am  
Sir

Your Royal Highness's  
most dutiful  
and obedient servant
