

Ld. Chancellor to H. R. H.

Apr. 24 1789

38474

The Chancellor wishes to obey  
your Royal Highness as literally  
as possible: But, as He is (now  
indispensably) obliged to be at  
Lincoln's Inn Hall between eight  
and nine o'clock tomorrow morning,  
It will be even more convenient,  
if your Royal Highness will  
permit Him to pay His duty  
at Carlton House tomorrow at  
eleven.

Friday 24. Apr. 1789.
