

H. Duadas to L.R.H.

38868-9
(Private) General Place

Sir

Mr. Keenan put into my hands on my return from the levee the enclosed with your Royal Highness's Wishes upon the subject of it. It happened accidentally that Lord Anherst communicated to me at St James's a letter of a similar import he had received

4
from Prince Edward. I had
no hesitation in giving my
decided opinion to Lord
Ambert that he should
lay the letter before the
King, with an earnest
recommendation that the

Prince should be gratified
in his wishes of serving,
and it occurred to me that
this might be accomplished

by His Serene Highness in the
Conquest of the West India
Islands or in the South
of France. Lord Anherst,
who dined here today,
tells me that the late
Prince Edwards Letter he
love the King, and that
he has consented to his
Serene Highness in
the West Indies, as Major

general, so that your Royal
Highness will perceive that
in this Instance there is no
room for any objection &
sure to prove to your Roy-
al Highness my wishes to for-
ward your wishes. I have
the honour to remain, with
Profound Respect,

your Royal Highness
obedient and devoted
servant
