My Dear Sir

Lord Spencer delivered
you kind letter to me, & I return
the public letter signed. The tranquillity
of this place is so comfortable
after the way in which we have lived
that I repeat sincerely you are
not partaking the enjoyment of
it with me. Should you at any time

ful tempted to make an excursion,
can give you a comfortable Bed.

I beg you to offer my best Compl^{ts}

M^{rs} Marmaham, & to please me

most truly
Your faithful Serv^t
Morda
