agreed that as Mr Montieriff has done  
such signal service during the siege of  
Charles Town and has been so strongly  
recommended by Sr Henry Clinton for some  
distinguished mark of His Majesty's favour  
it be humbly submitted to His Majesty that  
it is the opinion of this meeting that it will  
be highly conducive to the Public Service  
that Mr Montieriff do receive an immediate  
and distinguished mark of His Majesty's approbation
