

A. He. to hd. North

3936

Lord North, the Opinion of yesterday was so full that
Mr. Plunket would make so good a figure this day
that I am not a little mortified at the state of
the Bill, I hope the Speakers will be called upon
and every other Engine used that can bring the
two Aldermen so near as with decency to demand
a scrutiny, which I trust will place them at
the head of the real Bill of the Living
