

Ld. North

Sep. 1 1786

3937

Ld North begs his Majesty's pardon
for troubling his Majesty with these
warrants, but they have been put
into
Ld North's hand, since he was at
Court. The warrant transferring Mr
Nesbitt's Pension must be signed im-
-mediately, as he intends to offer him-
-self as Candidate for Winchester. Mr
Nesbitt's Uncle purchased the pension
so that it is a very reasonable

request in him to have it transferred
& he is likely to be a very good
friend in the H. of Commons.
