

ld. Jersey to ? Col. Beckahou

39711

Dear Sir

Being anxious to shew
my readiness to obey H. R. H. The
Prince of Wales's Commands, I
shall go down to the House of
Lords, tho' the doubts, which
have already arisen in my
Mind upon the Question, will
induce me probably to come
away —

When I made the appointment
to meet you at Elizabeth's I did
not recollect the hour & there-
fore send this not to keep you
waiting one moment —

Thursday
six o'clock.

I am Yours very
sincerely
JMS
