

Lord Thurlow
to
The Prince of Wales

His R. H.^{ty} Rank
in the Army.

Thursday

In the scroll submitted
to your Royal Highness yesterday,
I. J. forgot, he fears, to make
an alteration, which occurred
to him on reading it over;
viz. instead of the words,
in which I may better
correspond to insert the
words, more correspondent.
They seem to mean the
same thing, expressed with
more ease. But this, and
all the rest is submitted
to your Royal Highness.
