Dear Mr. Mahon

I have just received your
letter from Chatterham - I can
not express to you how much
I feel his Royal Highness's
kindness towards me and his acts
with me in Italy - He has in
short left nothing wanting
that I could have suggested
were I had I been on the spot
When

when you come to town there
is only Grey - Falkland and Keith
and Wright about whom work
ing is done - I am assured
nothing can be done about
Glasgow

Yours
and sincerely
Lauderdale
