Admiralty 21st May 1804

1/2 p. 11. a. m.

Lord Melville begs leave humbly
to mention to your Majesty
that by the appointment of
Admiral Gambier to the
Board of Admiralty, the Com:
mand of the Newfoundland
Station becomes vacant. Lord
Melville has taken pains to

inform himself as accurately
as he can, and has reason to
believe that the appointment
of Sir Erasmus Gower to that
Station would be much
approved of.
