Thank you for your letter of the
31st. Have the kindness to call upon
Greenwood; & say that I requested you
to do so in answer to his letter about
the Agency as you could explain rather
better than I could by writing. I refer
to him & to Mr. individually as regards
but let him perceive that tho' I could
not decline the request I felt

it quite the reverse of a Compliment
from the Duke.

Faithfully yours
A.
