

Mr. Tierney to HRH

Grosvenor Place
Tuesday Morn^g.

Sir,

In consequence of your Royal Highness's
order of last night I have written to my friend
to say that he must be at his window between
twelve & one on Thursday morning. with respect
to an earlier hour I can only say that about
one o'clock he has many persons coming to him
on business, and consequently the sooner your
Royal Highness can make convenient to go, the
best will the world will be to observation.

I am Sir
Your Royal Highness's
most faithful and devoted
servant
G. Tierney
