

C. Tierney to Col. McCracken

40355

Dear Mr. Mahon -

Tomorrow the Income Bill is in a committee in the H. of C. ~~It~~ it is very material that I should attend. On the other hand, after what you communicated to me yesterday, I am particularly desirous of an opportunity to make my acknowledgments to His Royal Highness. Tell me whether there will be any impropriety in my sending an apology from the H. of C. that I am detained there, or whether it would be a sufficient excuse for my coming too late for dinner that I could not get away from the debate. and lastly whether I may, without disrespect,

To the Purice, go back to the House before  
the rise from Table.

I know these things is very material  
to my arrangements tomorrow, and I will  
thank you much for an answer. I am sure  
you will excuse the trouble I give you, and  
attribute it to my my being so awkward a  
voice in proceedings of this kind.

Sunday Evn<sup>g</sup>

Yrs faithfully  
Henry Ferris
