

Ld. Stourmont

Dec. 19 1780

4038

I will not defer an Instant the  
dispatching a messenger to yr Majesty  
with a letter which I understand is  
from admiral Sighy.

The answer from the States or rather the  
no answer will remove every difficulty  
and make the immediate publication  
of the Manifesto highly proper it  
must now undergo some little alteration  
but shall be ready for the Council  
of tomorrow.

St James's Dec 19. 1780.
