

Ld. North

4054

Ld North has the honour of surprizing
his Majesty that Ld Carlisle is
waiting for an audience of his
Majesty before he goes into the
country, & may possibly speak to
his Majesty upon the subject of
Ireland; Ld North has mentioned
Ld Carlisle's wishes to have
Hillsborough, but not yet to any

other member of the Cabinet,
I really believe, that if there
is no Coalition, he is the
properest person to be Lord
Lieutenant; In the case of a
Coalition Lord Lubbock will be
ready to give way.

Anti-chamber. 2/3 July 2. P.M.
