My Dear Sir

I had the favor of your
kind letter yesterday morn. I have
not words sufficient to express how much
obligation & esteem I feel to H. R. H. B.,
for the many instances of his friendship
& kindness towards me upon all
occasions & particularly on the subject
of your letter. In confidence
I must say, that the only difficulty
on the occasion is, I find it will not
suit me (at present) from variety of
reasons to allow more than from
£2000 to 2500 for a seat in Parliament

which particularly gives me great
concern, as I should be always happy
to meet the Princes wishes, when ever
in my power.

I am My Dear Sir

with great esteem

very faithfully

& sincerely Yours

Wm Pitt
