Sir

In Honour of your Letter
sent 15th addressed to Brompton only
reached me this morning - Otherwise
I should have waited on you with
an earlier reply - I very much regret
Mr Owen Baillie has not many or
hands in the Country that are capable
to attain his wishes expressed to you
of his coming into Parliament at
the present time - The whole of his
floating Cash was some Months since
invested in India Stock in his own
Name agreeable to Order from Bengal
Department consent that in the Distribution
left by Mr Owen on his departure
likewise in his subsequent correspondence
from India he has omitted to
mention this desire of obtaining
a share - Under these circumstances
I must on behalf of you from John
Baillie John Taylor decline accepting
the Gift of Five Thousand Pounds

Yours
J

of drawn on the 3rd of October 1800
