

H. H. to Lord North

4083

Windsor Castle Jan 23  
on  
1781  $\frac{22}{22}$  P. 4 A.M.

I cannot return the Message which I have signed to  
be delivered this Day to the House of Commons without  
just as proposing to Lord North that I think the Alteration  
from the one I signed Yesterday evidently for the  
better.

*[Faint, illegible handwriting on lined paper, possibly bleed-through from the reverse side. The text is mirrored and difficult to decipher.]*
