

Ld. Yarmouth to H.R.H.

May 2. 1810

41351

Sir,

It is quite impossible for me to express to your Royal Highness half the feelings of gratitude & humble affection with which I received your Royal Highness's condescending letter & kind present = Every oscillation of its Pendulum & every vibration of my heart as adding to the time I have had the honor, Sir, of approaching Your Person with only add in future as in past time to the admiration & dutiful respect of Sir

Your Royal Highness most grateful
Servant

Yarmouth
