Being obliged to go to the cockpit and
from there to a meeting of the cabinet
it will be impossible for me to get the
Lds to Mr R. Keith ready for your
Majesty's perusal, but as they will be
little more than letters of mere
compliment and touch upon no
new points I propose sending them
by this post if I have your Majesty's
permission to do so.

Mr Bourboulon Prisoner General
to St. Denis who has avowed the
assassination to Mr Necker is sent to the
Bastille & every endeavor is used by
the Police to suppress the assassin. Mr.
Maurpes highly disapproves this measure

is at open variance with Mr. Necker.
