Aristarchus to the King.

May 15 1781

Mr Laurins immediately on his arrival in Holland sent off
an Express to the King of Prussia, to the Contents of which the
underwriter answer was given,

His Majesty will see that due respect shall be paid
to the Prussian Flag: that he was at present
perfectly at Liberty, and should not concern himself
in the present War, unless his ^{own} Dominions should
be attacked, or in apparent Danger —

This intelligence comes from a Quarter that may be
Depended-on.

Aristarchus.
