

Ld. Stourmont

I think it my duty to lay no more in
before your Majesty the enclosed
papers which I have this moment received
I shall wait your Majesty's commands upon
the whole business before I have any
communication on the subject with the
Chairman & Deputy Chairman.

The same messenger has brought pretty long
dispatches in cypher from Mr James Harris
but as there is little expectation of their
containing any thing agreeable I shall
not put Mr Priner to the inconvenience
of decyphering them by candle light.

St James's May 21. $\frac{15}{m}$ J. Here J.M.
