

H. M. to Ld. North

June 3 1781

4236

The enclosed letter I received yesterday from Ld. North
to which I returned no answer not chusing to take any step
till Ld. North has returned the Papers I put into his on
Friday concerning the Application for the Suffolks Living,
but I think he ought to see this letter. I hope they will
be returned to me tomorrow that I may in that Evening
let Ld. Northford have again his correspondence with
Ld. Archibald Hamilton.
