

Ld. North

Wednesday

4268

Ld North has the honour of
informing his Majesty, that he
has proposed to J.^r Adam Ferguson
Mr Storer to come into the
Board of Trade in the room
of Ld Robert Spencer, &
Mr Langlois, as Ld Walpole
is unwilling to quit without ano:

after appointment. Mr Langster
never attends the board, & is not in
Parliament. He may, with his Maj:^s
permission, hold a session till he
finds another place. While the Captains
of the Household continue vacant, the
expense will not be increased, &
Lord North hopes to make soon
an arrangement for them.

Wednesday evening.
