

Ld. Stourmont

July 24 1781

4270

Your Majesty will see in the Lot submitted to you the manner in which I endeavour to avoid all Discussion with M. Doyer upon the subject of his last Memorial which is so strongly marked with that sort of ill bred Behaviour that is so apt to mix itself with His Productions. Being uncertain whether your Majesty will approve this Expedient I shall keep back the Note to M. Doyer till the messenger returns.

St James July 24 1781.
