

Enclosure

4308

In the last Reign the University of
oxford came up with an address which
the friends of y^e King had procured and
thought it a point carried, several of
them came up with it particularly Dr
Barshaw

There was an expression in the address
censuring the case of Dr Jarnell their
late Vice Chancellor who was then under
prosecution by an Informer in the
Kings Bench. The Ministers thought
this Passage indecent & Offensive tho'
it certainly was not so meant, & a Message
was sent to the Vice Chancellor & others
who came with the address that the
King wd not receive it, & they returned to
the university without presenting it
