

Minute
octo 25. 1781

4332

at D Millsborough's octo 25. 1781

Present

The whole cabinet except D President and D
Army seal.

agreed that it be submitted to His Majesty that it
would be expedient to send to Jamaica Salvo mules
Corps together with such Recruits as can be
collected belonging to the Regiments in that
Island supposed to consist in all of about
500 Men, and that orders should be sent
to the Admiralty accordingly

agreed that it be also submitted that the
Proposal mentioned in General Parvants Letter to
D Stomont of this date should be adopted
provided always that care be taken in the
first place to secure the Recruits the ^{different} German
Princes are obliged to furnish.
